

# SDC and Office Building Project OFFSITE IMPROVEMENTS

## CONSTRUCTION ADVISORY

**Week of:**

Monday June 28, 2010 – Sunday July 4, 2010

**Jobsite Location:**

14<sup>th</sup> Ave. S.E. and Jefferson St. S.E.

**Project Standard Work Hours:**

7:00 a.m. – 5:30 p.m.

**Major Work Activities This Week:**

- Installation of new storm water drainage structures and piping will continue throughout the week.
- Work to install underground data and communication lines will get underway. Trenching, installation of conduit and backfill activities required to bring the services across 14<sup>th</sup> Ave. S.E. will ongoing during this week. ***Please note: Steel plates will likely be placed in the roadway as this work progresses in stages across 14<sup>th</sup> Ave. S.E., vehicle and bicycle traffic are reminded to please be aware of changed road conditions and slow down while driving thru construction zones.***

**Non-Standard Work Hours and Activities:**

- No work is currently scheduled to occur during the weekend of July 3<sup>rd</sup> and 4<sup>th</sup>.

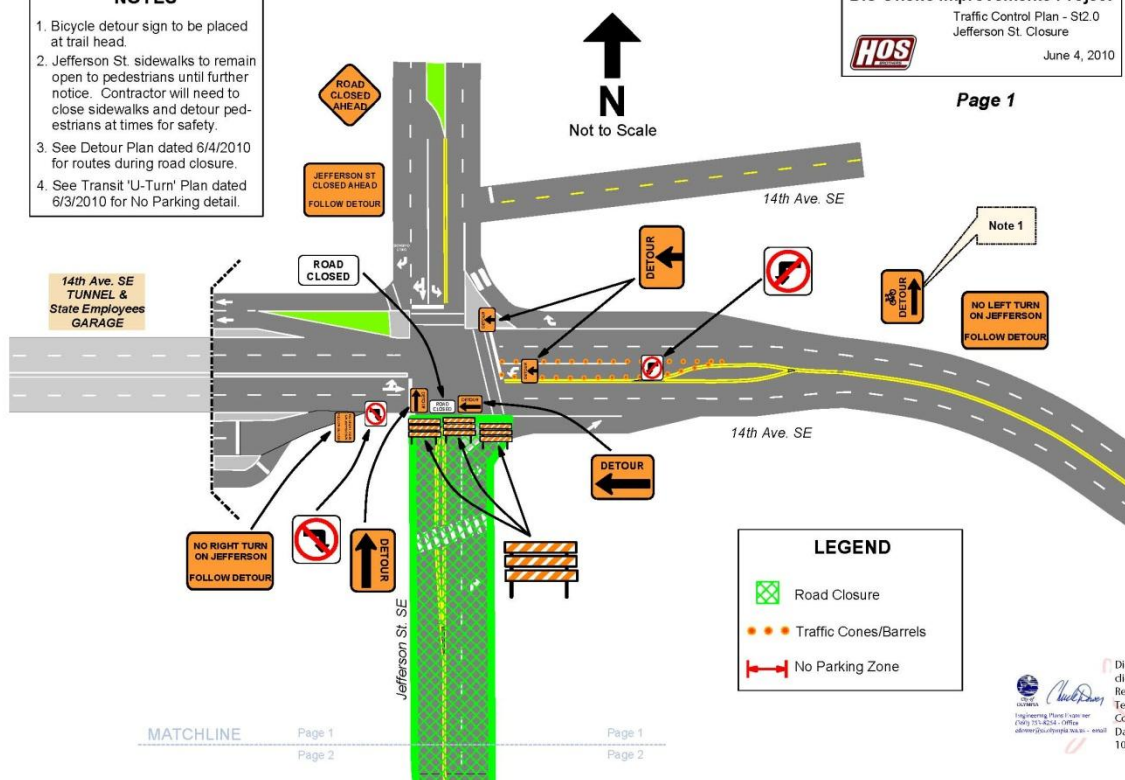

**Street Closures / Impacts:**

- Jefferson Street between 16<sup>th</sup> Avenue and 14<sup>th</sup> Avenue will remain closed until the completion of the round-about construction and Jefferson Street improvements currently scheduled to be in mid December 2010.
  - Signed detours remain in place for vehicle as well as bicycle traffic; bicyclists should continue to note that bicycle traffic is not permitted in the 14<sup>th</sup> Avenue tunnel.
  - Select “No Parking” signs remain in place at Maple Park Drive SE and Jefferson Street SE to safely provide adequate room for buses to make required u-turns during the closure of Jefferson St. SE.
- The intersection of 14<sup>th</sup> Ave S.E. and Jefferson St S.E. will continue to be controlled by a traffic control officer or set to a flashing mode as necessary during construction activities to help facilitate the flow of vehicle, bicycle and pedestrian traffic. Traffic will be stopped intermittently during work in the roadway. Pedestrians will continue to be flagged through the intersection during construction; bicyclists will be flagged when using crosswalks.
- Please note that traffic revisions shown in the plan for installation of center and south storm line crossings of 14<sup>th</sup> Ave S.E. will remain in place only during working hours, traffic will be restored to the configuration as depicted on the Jefferson St. Road Closure & Detour Plan at night and on weekends.
- **All vehicle, bicycle and pedestrian traffic are reminded to please watch and obey traffic control officers and flaggers.**

## NOTES

1. Bicycle detour sign to be placed at trail head.
2. Jefferson St. sidewalks to remain open to pedestrians until further notice. Contractor will need to close sidewalks and detour pedestrians at times for safety.
3. See Detour Plan dated 6/4/2010 for routes during road closure.
4. See Transit 'U-Turn' Plan dated 6/3/2010 for No Parking detail.
